

Robert Jones Beauty Academy Syllabus Apprentice Level

SCHOOL: Robert Jones Beauty Academy

INSTRUCTOR: Robert Jones

COURSE TITLE: Apprentice Level

COURSE DESCRIPTION:

The Apprentice Level is the first course in a three-course curriculum. The broad purpose of the Apprentice Level course is for you (the student) to acquire a basic level of cosmetic knowledge and technical application skills. These basic skills will give you the solid foundation needed in order to learn more advanced makeup application techniques.

COURSE OBJECTIVES:

This course will encompass product knowledge, words, tools, and the basic application of makeup. Upon successful completion of this course, you will gain the knowledge necessary to:

- Identify correct materials and equipment for makeup application
- Identify different types of skin conditions and how to conceal them for flawless-looking skin
- Basic highlight and contour techniques
- Basic makeup application techniques for all facets of the face

CERTIFICATE OF COMPLETION:

In order to earn an Apprentice Level Certificate of Completion from the Robert Jones Beauty Academy, you must watch all the Apprentice Level course videos, take a computer-generated quiz for each video, and receive a 100% on each one.
